

INVESTOR & PARTNER OVERVIEW

THC Community & Cultural Center

A multicultural hub for youth, culture, education and community connection in Greater Houston.

LED BY

Tanzania Houston Community (THC)

STATUS

501(c)(3) Nonprofit · Houston, Texas

OUR VISION

A permanent home where young people, families and cultures connect, learn and grow.

THC is working to develop a permanent **Community & Cultural Center in the Greater Houston area**. Although the project is led by THC, the Center is **not envisioned exclusively for the Tanzanian community**.

It will serve the African diaspora, African-American families, immigrant communities and the broader Greater Houston community.

“

Creating a permanent space where our youth can learn their culture, develop their talents, build relationships and prepare for their future.

THE GOAL AT THE HEART OF THE PROJECT

African diaspora

African-American families

Immigrant communities

Greater Houston

A space to learn, connect, create and grow

Youth & Education

Classrooms, tutoring, mentoring, leadership development, career workshops and educational programs.

Culture & Heritage

African language, history, arts, music, dance, cultural education and intergenerational programs.

Innovation & Development

Technology, entrepreneurship, financial literacy, career readiness and skills-development programs.

Community Connection

A welcoming gathering place for families, nonprofits, community organizations and community-service programs.

Arts & Events

A multipurpose space for cultural celebrations, performances, workshops, conferences and community events.

Sports & Recreation

Indoor and outdoor youth activities, recreation areas and a proposed soccer/multipurpose field.

PROJECT AT A GLANCE

A grounded plan with an engaged community behind it
